

St George's Day competition

Dear parents, carers and students,

As St George's day is such an important day for our school, we are launching a very special competition. Our school values are based on St George's message of **COURAGE**.

Can you create an artwork that celebrates our school message? You can choose any art form you like: collage, drawing, poetry, match report, story writing, diary entry. We have had some wonderful entries so far, thank you.

Please send your entries by **Thursday 2nd May**. There will be some wonderful prizes and work will be celebrated in a whole school courage display,

Thanks,

Good luck!

Mrs Hall
