

Snow Day Maths Ideas

Can you go outside and build a snowman? Can you measure your snowman in centimetres and metres? Can you make more than one and order them by height?

Snow Problem!

Mrs Calvert is collecting the lost gloves she has found. She found 23 on Wednesday, 38 on Thursday and 17 on Friday. How many did she find altogether?

Mrs Dawson-May made 97 hot chocolates for everyone. 81 were drunk and 4 were knocked over. How many were left for Mrs Dawson-May?

All the children built snowmen on the playground. There were 63 at the end of playtime. The next morning 38 were left. How many snowmen melted?

Mrs Hall has some snowballs. Mrs Craig gave her 16 more. Now she has 74 snowballs. How many did Mrs Hall start with?

Why was the snowman looking in the bag of carrots?

Because he was picking his nose!
