

## Early Years News 25

Dear Parents and Carers,

We have started our new topic called 'Can I keep a lion as a pet?'

Well done to both Nursery and Reception children who completed last week's homework and brought in a fact they had found out to share. There were some great facts and children loved explaining what they had found out to the class. They are all on display in the classroom.

We have been reading the story Dear Zoo and using this for the basis of our learning. We have thought about the features and behaviours of different animals and why they are unsuitable to be kept as pets in our homes. Next week we will start to compare zoo animals with the types of animals we might see on farms.

### **General reminders**

Thank you to all those who have caught up with snack money. There is still some outstanding, please check with us if you're not sure – sorry I know it's not always easy for Reception parents!

Thank you to all those who support St George's in the carnival. A fantastic effort!

Thank you to those who have returned the trip form already. Don't worry if you haven't done this yet we need them back by **Wednesday 27<sup>th</sup> June** at the latest so that I have an accurate list in time.

Thank you

### **Nursery reminders and homework tasks**

As always, please continue with support for your child with name writing practise and number recognition to 10. Please also try to help your child continue to learn about animals in readiness for our trip.

Thank you

### **Reception reminders and homework tasks**

We are really pleased with the letter formation work going on at home. It is a key focus in class at the moment and we are seeing a real difference. Great stuff! This week please could you support them to complete all of the **s** pages. Please send in to school by Friday for marking and a star on each child's chart.

Thank you

Have a lovely weekend! Mrs Davison, Mrs Shuker, and Mrs Swindells
