

Summer Newsletter

Dear Parents/ Carers

We are now into the Summer Term and we are delighted to see that the Y5/6 children have settled back into school after the Easter Holidays and are engaging well with their learning.

This term is always a busy one for everyone but particularly Y6. In just a fortnight's time, they will be taking their SATs. They will also be taking part in transition sessions to secondary school, the leavers' celebrations and end of year production.

During the next half term we are hoping to walk up Kinder. We will let you know the exact date nearer the time but if anyone would like to walk with us please let us know.

Our topic this term is a comparison study between Spain and England. There is also homework (booklet) linked to this topic that can be completed in order but needs to be handed in every Friday.

The following terms topic is 'The Titanic'.

PE News -The children will be having PE outside this term, weather permitting, so please can you ensure your child has their PE kit in school. They will also be swimming on Wednesdays.

Reading -All children in year 5/6 have a library/ reading book to read at home. Please encourage your child to talk about the books they are reading, their likes and dislikes and the writing styles of the authors they prefer.
