NEWSLETTER

SPRING 2 2020

Dear Parents and carers,

Welcome to our Spring term (2) newsletter.

Don't miss our dates for diaries section with important dates like 'World Book Day' this half term.

SNOW!

In the event of snow, we will always try to stay open. If it's not possible for us to open, we will inform you as soon as possible via our text messaging service and place a message on our website. **Please make sure we have your correct phone numbers!**

Parent Pay

Please sign up to Parent Pay – we are trying to be a cashless office and this can be used to pay for trips, clubs and school dinners. Contact the school office for more details.

Acceptable Use of ICT

You will find attached our parents' acceptable use agreement. Please read this, sign it and send it back to us as soon as possible. The children will be doing this in their classes after discussions with staff.

Colour Food Bingo

St. George's and Derbyshire Catering Service are excited to introduce our new initiative to inspire all children to 'eat a rainbow'. The aim of this is to get pupils to eat more fruit and vegetables as this can help maximize disease-fighting power and promotes a healthy lifestyle.

The promotion is called 'Colour Food Bingo' and is due to take place during the week beginning 16th March 2020.

Each pupil will be provided with a bingo card with colours on it. As they eat a food that matches the colours on the chart they get the card stamped. At the end of the week, if their card is full, they receive a prize. **This is also open to pupils on packed lunches.**

Making contact with school

We are having increasing numbers of parents who don't let school know if their child is going to be off school, or if they are going to be in late after a medical appointment. **It is the parent or carer's responsibility to let school know and it is important to let us know before the start of school so that we can note it on our registers.**

We also need to know if you are cancelling your child's place at **After School Club** so that we can give the place to another child.
